Chapter 2 by Ichigo

Ashton Turner turns around, his eyes firmly focused on the boy and girl walking his way. The boy walks up to him slowly, the girl trailing behind, as if afraid. " Hey, heard you're gay. S'up about that? " The boy says.

" Um, it's true. Why..is that a problem? " Ashton asks.

The girl suddenly pops into the picture. " Legend Academy doesn't like gays or lesbians. Those who have free minds and think differently are hated by people at Legend. They're under a disease called homophobia, which is a fear or hatred of gays or lesbians. " She explains.

" Uh, I go to Legend, I'm not treated any differently. " Ashton comments.

The boy nods and laughs. Without warning, he engulfs Ashton in an odd side hug. " Nice ta meet you, I'm Andy! " He says.

" Ashton, nice to meet you too. " Ashton says.

The girl walks up to him and whispers her name in his ear so only he could hear. " No one else knows my real name except my bae, Nicole. " She says.

Andy turns to Angela and smiles. " You haven't told him yet, have you? " He asks teasingly.

Ashton's a bit taken back. How can gay haters be so nice to him? And secondly, it had only seemed like 4 minutes and they were already talking to him like they were good friends?

" Alright. So look, we're not gay haters. Andy's gay but I'm not. But, I love gays, so. " Angela says. She doesn't sound so smart for a second and then she launches into a big speech that basically takes off the first non-smart thing she's said. But, Ashton doesn't listen and Andy doesn't either.
